InView with Larry King Positively Impacting Peoples' Lives

"Positively impacting peoples' lives" is the core purpose of the Roundbank organization and a recurring theme for our issue of In the Loop. Our core purpose is firmly rooted in our day-to-day direction and our focus for the future. It is the fundamental reason for our own existence and it goes far, far beyond making money – it is the personal guiding star on the horizon for all Roundbank staff.

In this article, we are pleased to announce that Roundbank will be featured on "InView with Larry King" on the Discovery Channel. This 30 minute program will be aired weekly beginning sometime in February/March 2013 and will be continuing for a year or more. The program will be educational in nature with selected topics that are not fully understood by Americans. One topic to be covered is community banking. In a three to four part series of 30 minute segments, insights of community bankers from five separate regions of our Country will be given. The Larry King research department identified certain community banks to be interviewed as part of the television program and Roundbank was asked to represent the Upper Midwest!

Larry King will host the show and make opening remarks; the moderator will be Bill Isaac, former

Chairman of the FDIC and well-respected expert in the field of banking. He can often be seen on television in various programs dealing with finance and banking. The program will differentiate between "Wall Street banks and Main Street Banks" and it will demonstrate how vital community banks are to the economic fabric of our country.

The participating banks were identified by InView based on their financial strength as well as their reputation within the communities that they serve. MoneyIsland, Roundbank Jr. Board and the Kasasa accounts will be highlighted in the Roundbank segment in addition to our strong community presence and involvement.

We are eager to tell our story, and share with you and the entire nation what we have accomplished at Roundbank, and the importance of community banking in building strong and successful communities. Once the filming has been completed, we will post the air date on the homepage of our web site. We invite you to tune into the program with us.

Larry Thompson
Roundbank
President/CEO

Enriching our Communities

One of the ways our employees and Jr. Boards illustrate how "Positively Impacting Peoples' Lives" is firmly rooted in their day-to-day lives, is through volunteerism in the communities we serve.

We're excited to announce our employees and Jr. Board members have contributed approximately 4,900 volunteer hours throughout the 2012 year. We're proud to give back to our local communities!

Clockwise from top left: Farmington Jr. Board participating in the Relay For Life event. Waseca employees volunteering time at the Empty Bowls event. Waseca employees and Jr. Board members at the Marching Classic parade. New Prague employees volunteering at the Food For Kidz Event.

Employee Growth

We welcome the following employees!

- **Kyle Sommers**, Teller/Personal Banker (Waldorf)
- **Leda Hovey**, Teller (New Prague)
- **ShaLee White**, Roundbank Insurance Agency Customer Service Representative (Waseca)
- **Sonja Pfeifer**, Teller (Waseca)

Peace of Mind for the Things That Shine

Suddenly, you notice a diamond is missing from your wedding ring, your toddler takes your watch in the bathtub, or your bracelet slips off while you are swimming in the lake. For losses like these, there is no coverage on your homeowners' policy. However, if you schedule your jewelry on a personal articles floater, attached to your homeowners' policy, then there would be coverage for all these scenarios. In fact, when you schedule your jewelry there is coverage for virtually anything that could happen to it, with only a few exceptions, and the cost to add the coverage is minimal.

Please contact one of our agents to learn more about this coverage.
